

A COMMUNITY OUTREACH OF LOTUS SALON & SPA

Lotus Salon & Spa is sponsoring the *Monday's Child* project to provide free salon services (initially haircuts and blow-dries only) for foster children and at-risk families in the Colorado Springs metropolitan area. Vouchers for services may be obtained from any Child Protective Agency (CPA) case worker in Colorado Springs.

Any foster family may receive up to four (4) vouchers per year (two for the remainder of 2016), and each voucher is valid for all foster children in that family. Families should contact their respective case worker, who will provide them with the vouchers and liability waiver forms necessary to receive services.

Families may then call Lotus Salon & Spa at the telephone number given on the voucher to make an appointment. Vouchers and liability forms must be presented at the time of appointment. Appointments may be cancelled (or re-scheduled) any time up to the date of appointment; however, failing to come for a non-cancelled appointment may lead to a limitation of future services.

Any family that is aware of (or concerned about) any hair or scalp issues, such as lice, matting, dandruff, etc. or have a special situation, such as a cultural hair style, should call the salon and discuss these with one of the hair stylists before coming for their appointment. A hotline telephone number will be provided on the voucher to help facilitate discussion of these issues.

Salon services will be provided by volunteer stylists, both licensed experienced stylists, and student stylists (under the supervision of a licensed stylist). Any Colorado Springs licensed stylist who wishes to participate in this activity may call Kim at Lotus Salon his/her time.

All *Monday's Child* services will be provided on Mondays and Wednesdays every other week from 3:00 pm to 7:00 pm. Appointment dates for the remaining of 2016 are given below:

- September 12, 14, 26, 28
- October 10, 12, 24, 28
- November 9, 14, 16
- December 12, 14, 28

Additional dates may be provided depending on the demand and the availability of stylists.

Monday's Child is a component outreach of the Live2free Foundation, an IRS 501c organization. Tax-deductible contributions can be made by check to Lydia Today, with a memo denoting Monday's Child, and mailed to Lotus Salon & Spa.
